THINK WELL

@RYANPAULY3

WWW.THINK-WELL.ORG/SUMMIT

*
**IS TECHNOLOGY
NEUTRAL?**
*

**“WHENEVER WE USE TOOLS, FROM
SHOVELS AND BOOKS TO PHONES
AND VIRTUAL REALITY,
REGARDLESS OF WHETHER WE USE
THEM FOR GOOD OR EVIL, THE ACT
OF USING THEM FORMS US
PHYSICALLY, MENTALLY,
SPIRITUALLY, AND RELATIONALLY.”**

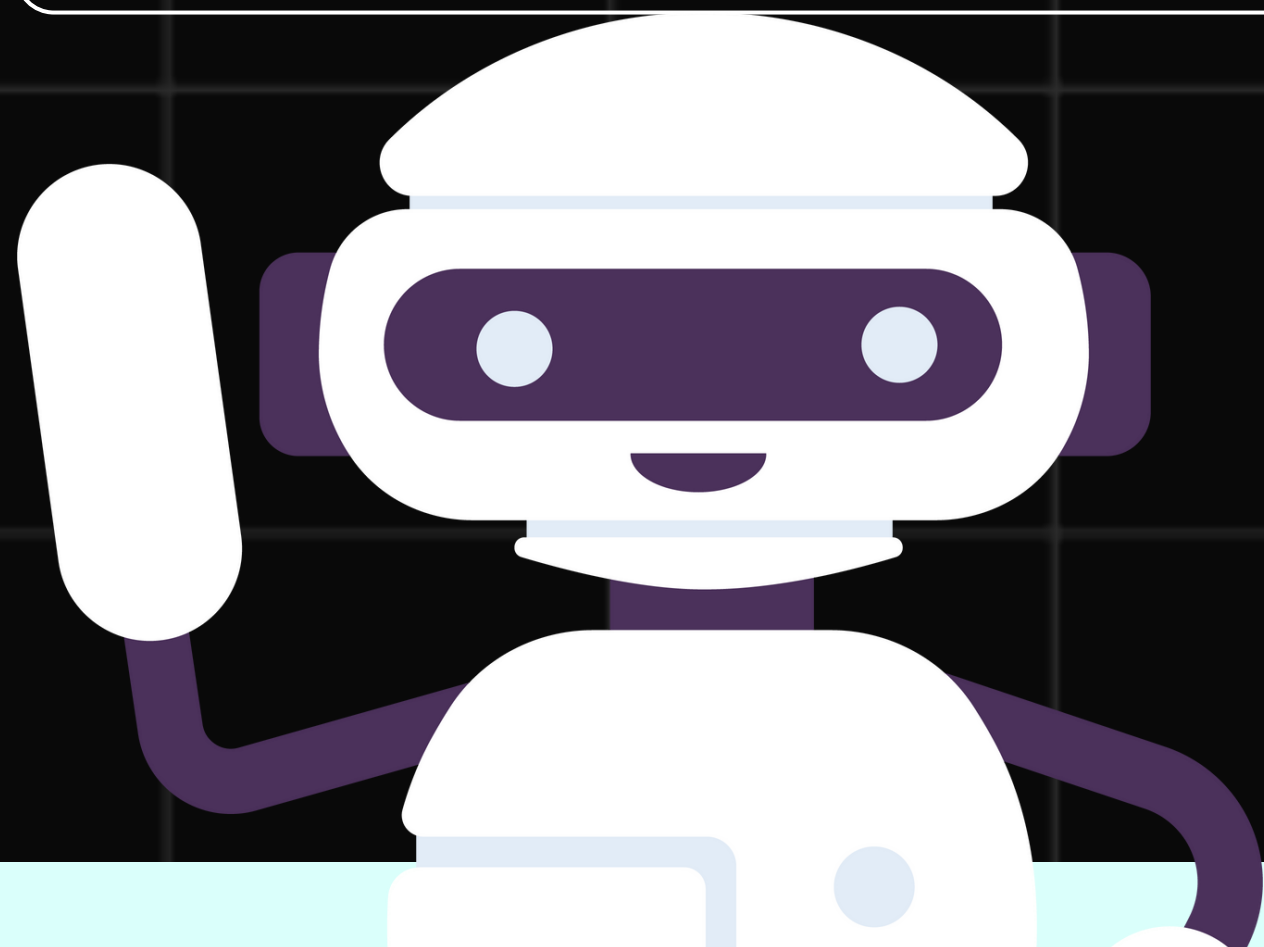

JOHN DYER

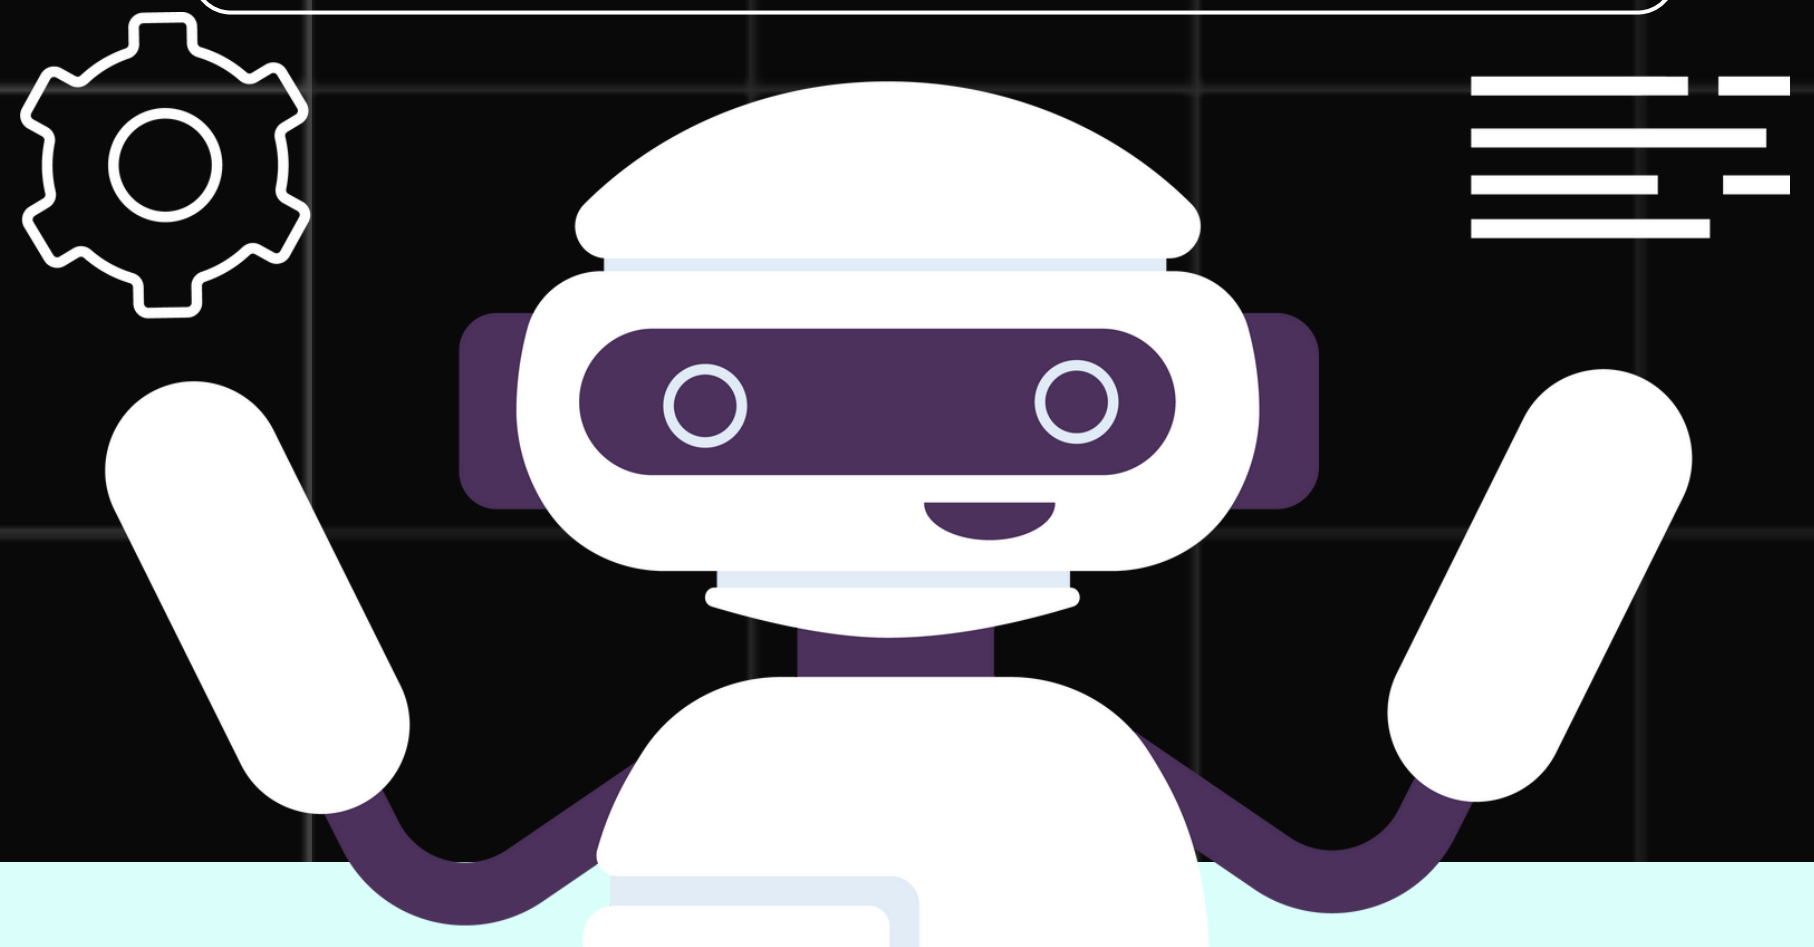

TYPES OF AI

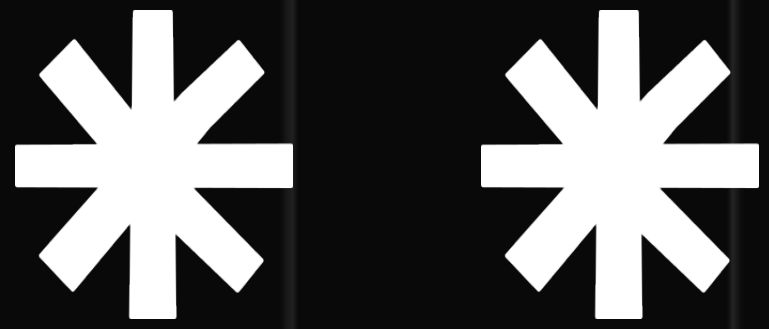

**NARROW
ARTIFICIAL
INTELLIGENCE**

**ARTIFICIAL
GENERAL
INTELLIGENCE**

“NEVER BEFORE HAVE WE
WITNESSED TECHNOLOGIES WITH
SUCH TRANSFORMATIVE POTENTIAL,
PROMISING TO RESHAPE OUR
WORLD IN WAYS THAT ARE BOTH
AWE-INSPIRING AND DAUNTING...

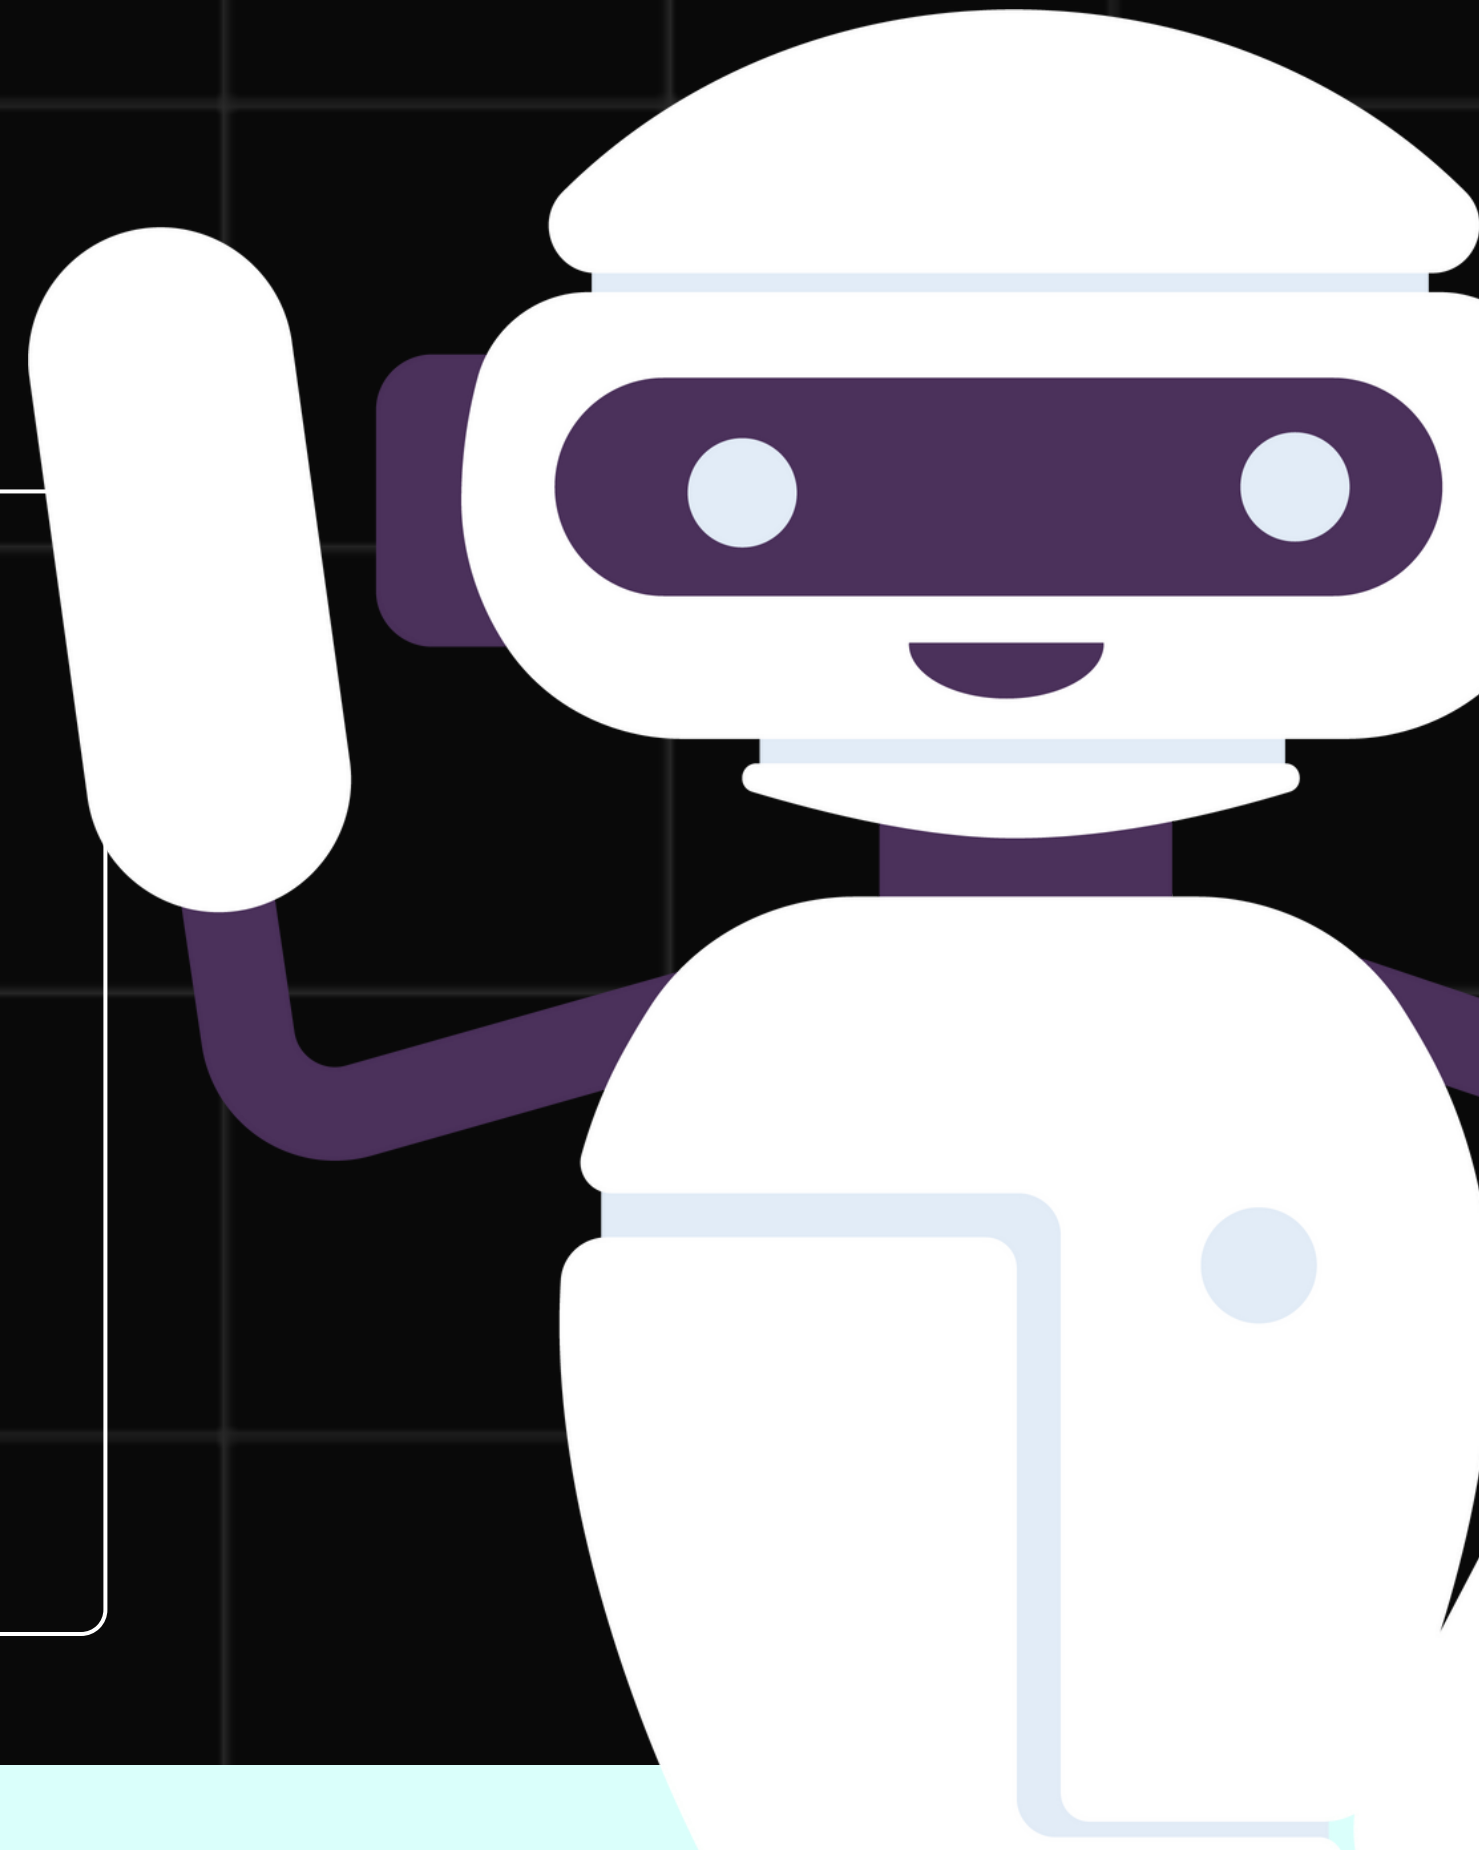

AS THE TECHNOLOGY HAS
PROGRESSED OVER THE YEARS, MY
CONCERNS HAVE GROWN.”

MUSTAFA SULEYMAN

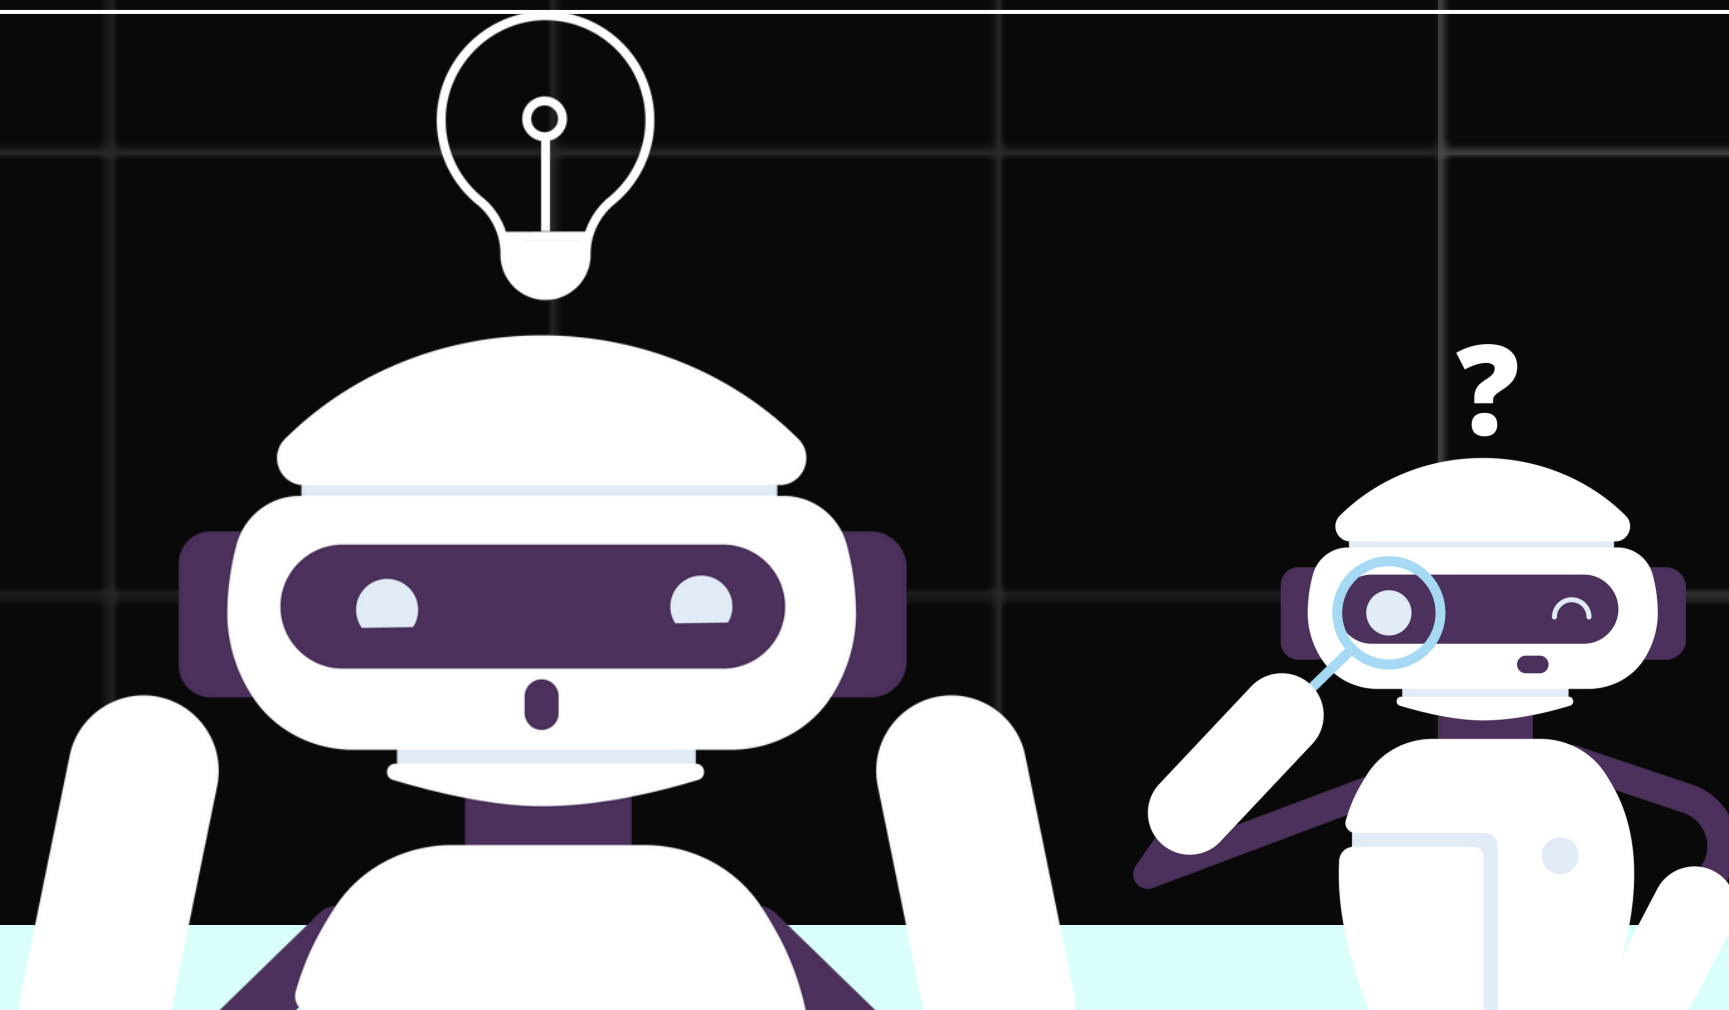

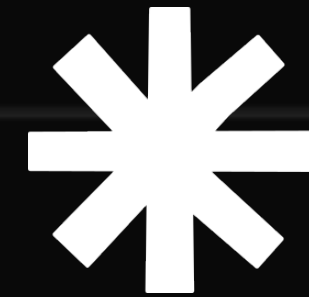

THE VALUE OF AI

- DIGITAL ASSISTANTS
- MEDICINE
- AUTONOMOUS VEHICLES
- LANGUAGE
TRANSLATORS
- ADVERTISING
- INDUSTRY

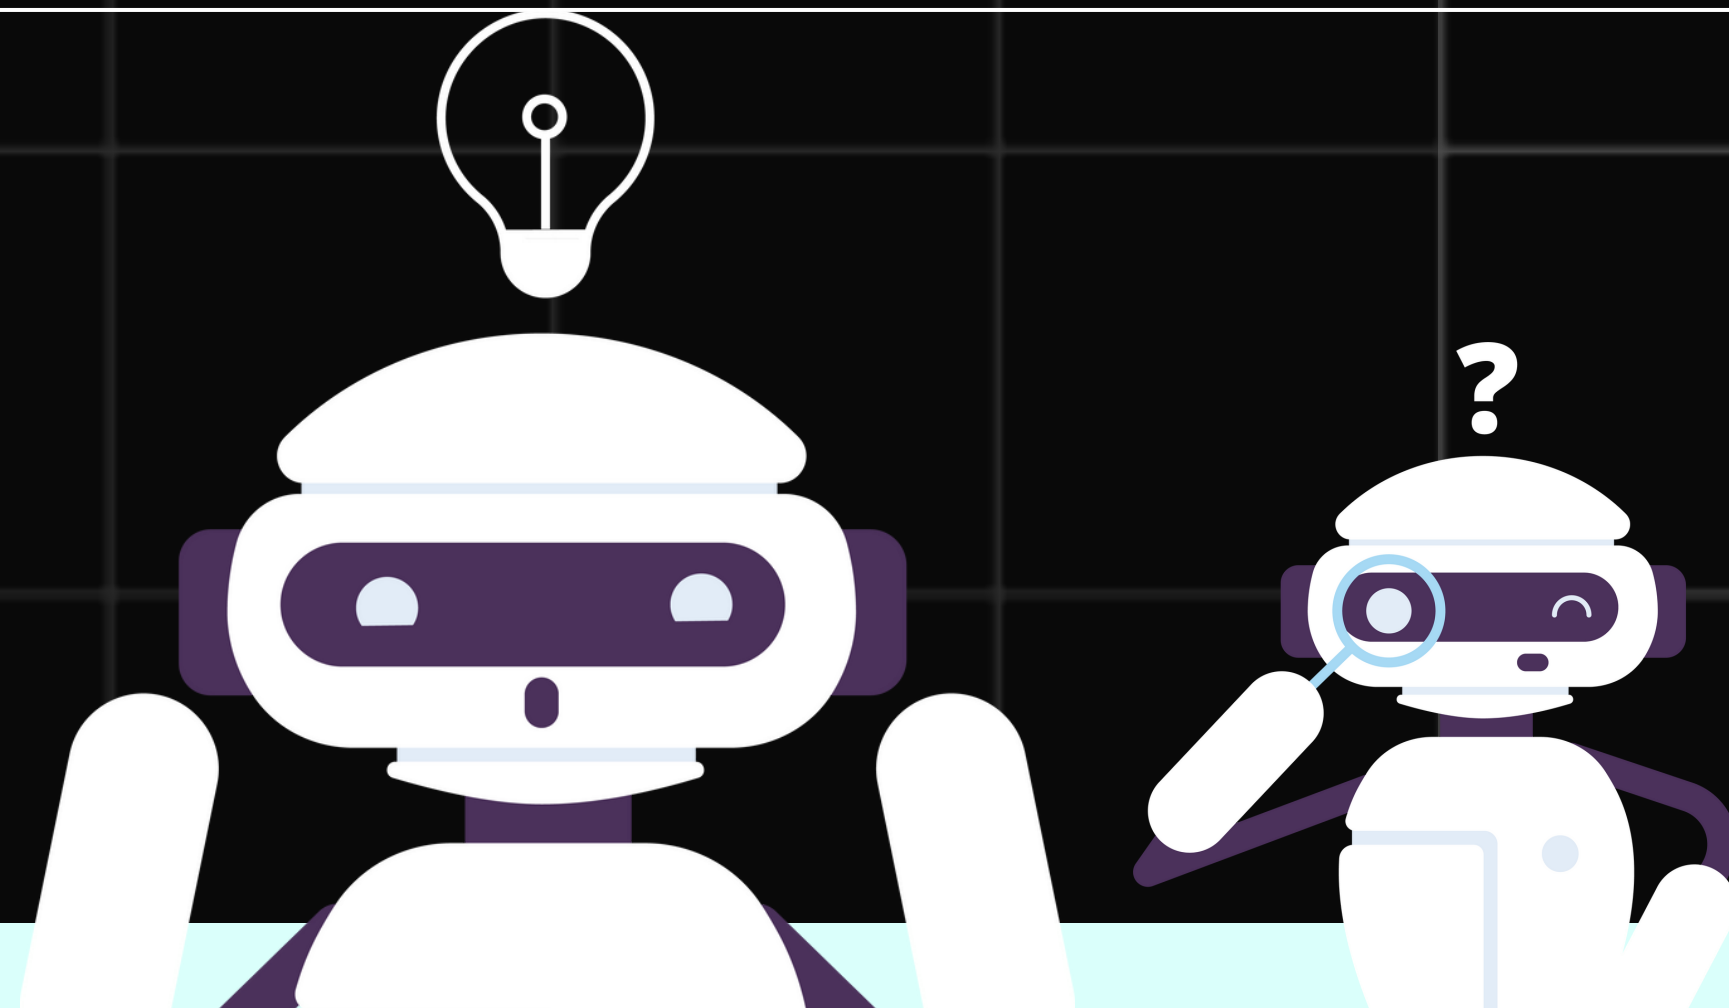

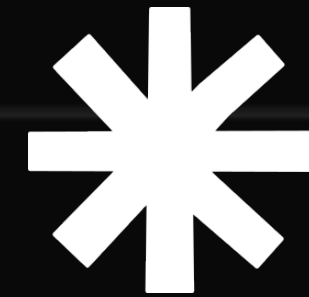

- JOB RECRUITMENT
- THREAT OF JOB LOSSES

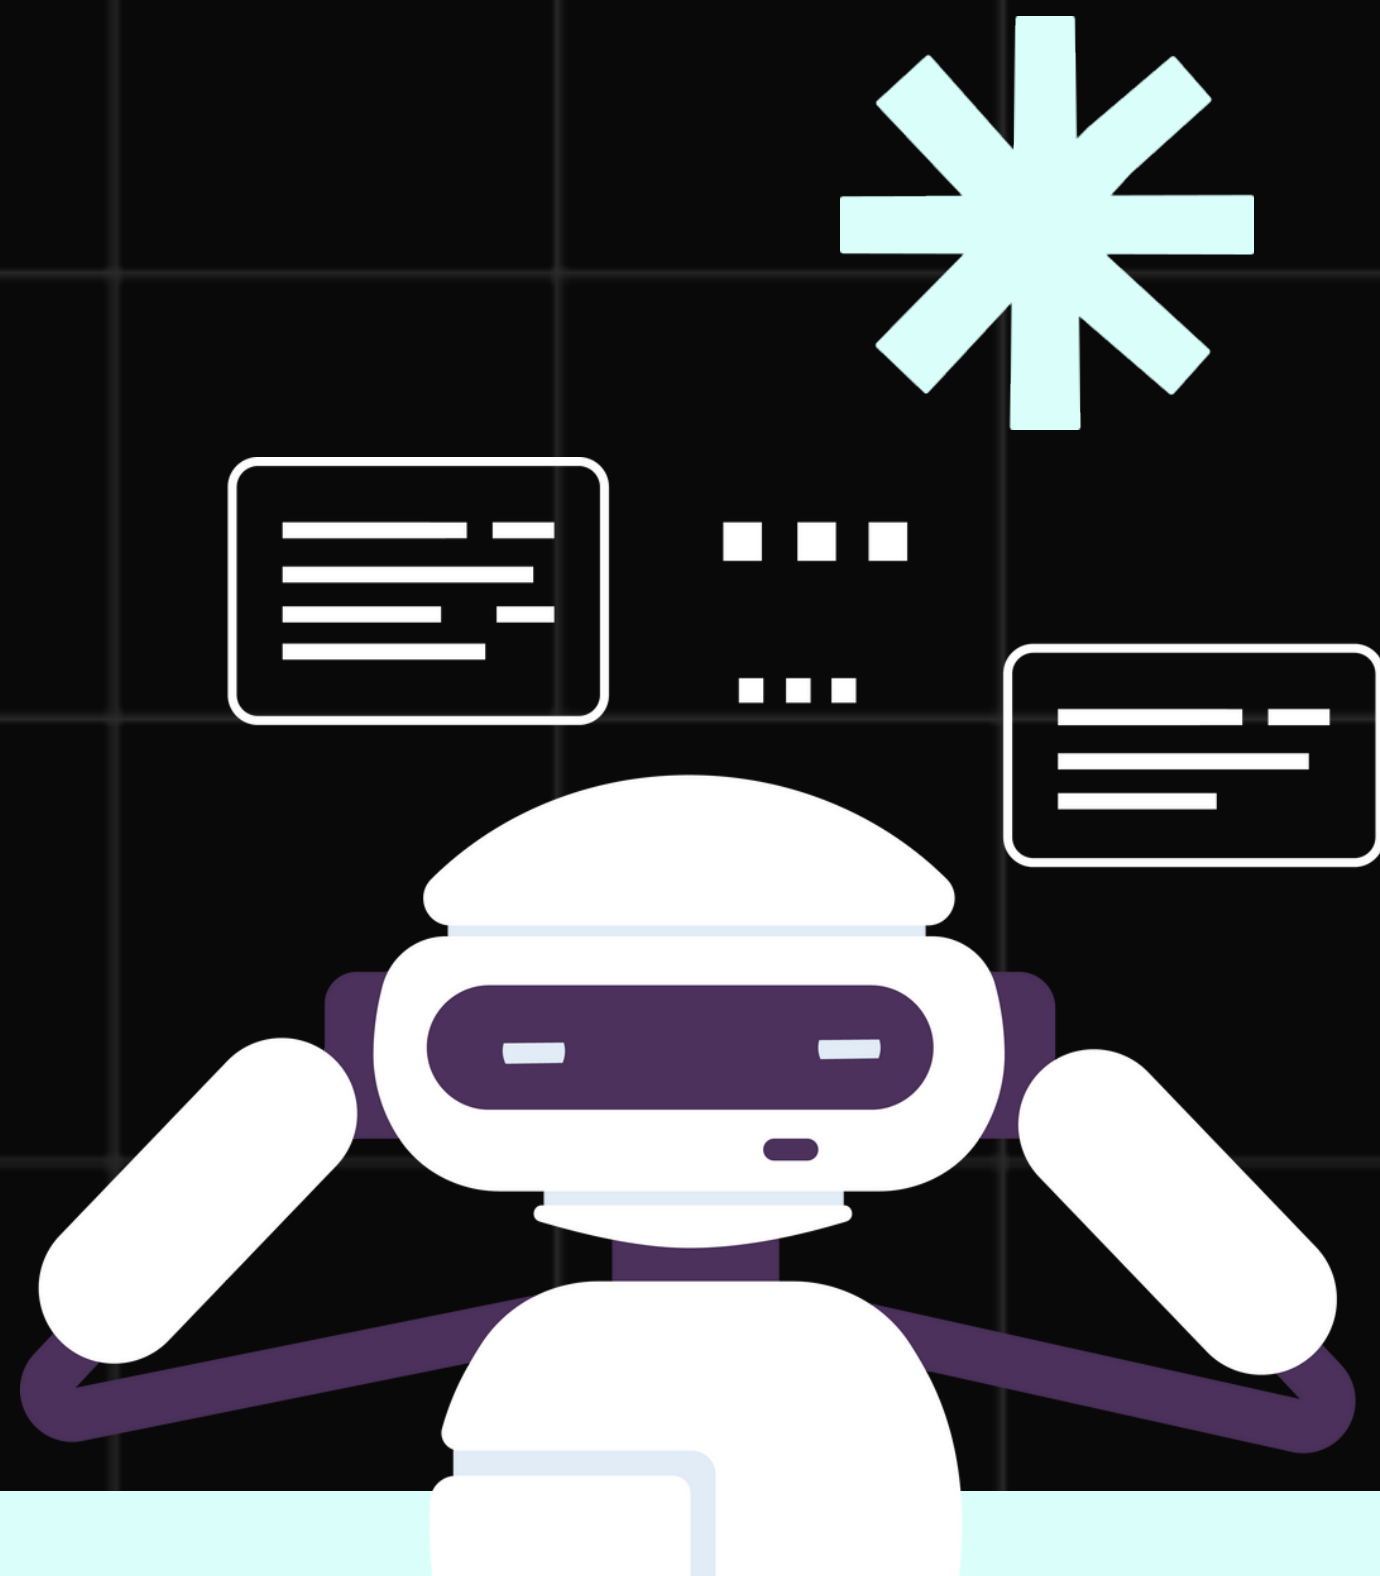

**NEGATIVE
EFFECTS OF AI**

- JOB RECRUITMENT
- THREAT OF JOB LOSSES
- DATA HARVESTING
- THE CONTAINMENT PROBLEM
- OMNI-USE
- LOOK FOR KILLERS
- THEY HAVE BECOME BLACK BOXES

NEGATIVE EFFECTS OF AI

TECHNOLOGY...

1. EXTENDS OR
MAGNIFIES SOMETHING
WE DO NATURALLY.

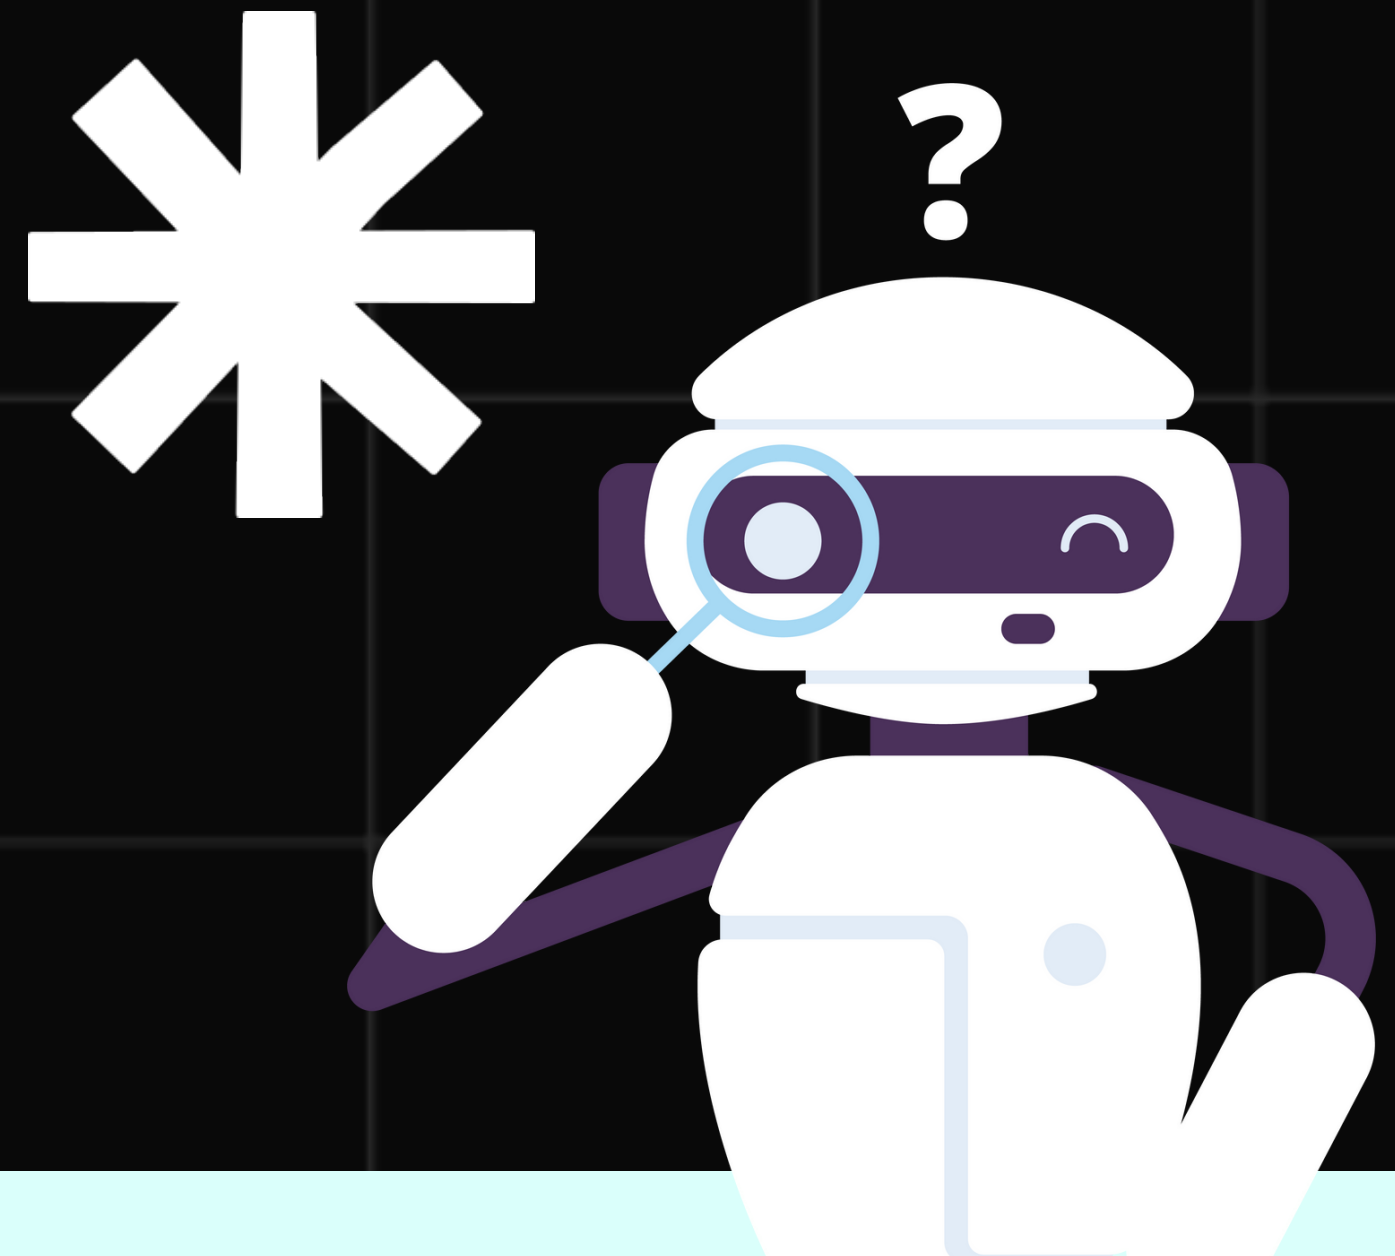

2. ELIMINATES OR
AMPUTATES SOMETHING
THAT WE USED TO DO.

3. RETRIEVES SOMETHING
FROM THE PAST.

4. REVERSES INTO A MORE
NEGATIVE BEHAVIOR
WHEN IT'S OVERUSED.

A GOOD GIFT
GOD CREATED
HUMANS ARE SET
APART

TECHNOLOGY AND SCRIPTURE

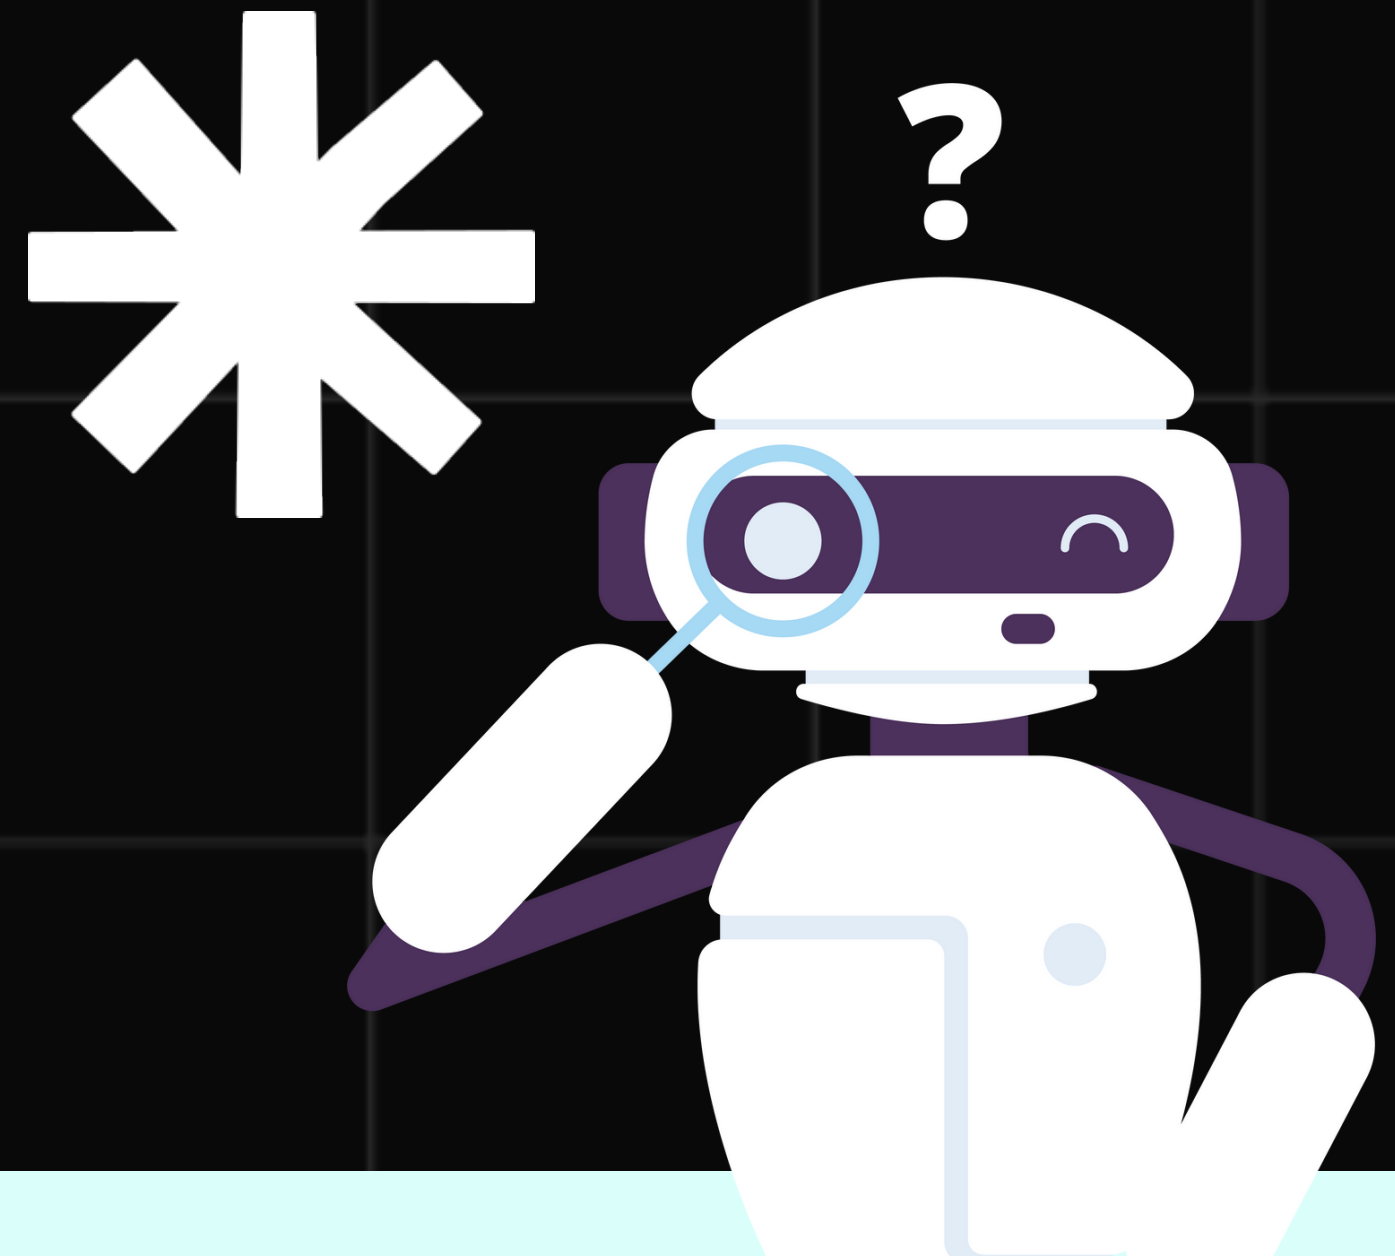

“IT IS ONE THING TO MAKE A MACHINE THAT CAN SIMULATE, SAY, A HUMAN HAND LIFTING AN OBJECT; IT IS A COMPLETELY DIFFERENT THING TO MAKE A MACHINE THAT CAN SIMULATE THE THOUGHTS OF A HUMAN WHEN HE OR SHE IS LIFTING AN OBJECT.”

JOHN LENNOX

A GOOD GIFT
GOD CREATED
HUMANS ARE SET
APART
GOD RESTED
THE FALL
GOD HAS
OVERCOME DEATH

TECHNOLOGY AND SCRIPTURE

“THEY DON’T THINK OF DEATH AS
A METAPHYSICAL MYSTERY, AND
THEY CERTAINLY DON’T VIEW
DEATH AS THE SOURCE OF LIFE’S
MEANING. RATHER, FOR MODERN
PEOPLE DEATH IS A TECHNICAL
PROBLEM THAT WE CAN AND
SHOULD SOLVE.”

YUVAL NOAH HARARI

**“ALL OF THIS MEANS THAT
CHRISTIANS NEED TO THINK HARD
ABOUT THE IMPLICATIONS OF
THESE FUNDAMENTAL CHRISTIANS
DOCTRINES OF THE RESURRECTION
AND RETURN OF CHRIST FOR AI
AND THE RACE TO CREATE HOMO
DEUS...**

JOHN LENNOX

FOR IF THE CHRISTIAN TEACHING
IS TRUE, THE RACE TO CONQUER
DEATH AS A TECHNICAL PROBLEM
WILL PROVE TO BE ULTIMATELY
FUTILE, ALTHOUGH THE
TECHNOLOGY DEVELOPED ALONG
THE WAY MAY HELP EASE OLD AGE
AND SOLVE MANY OUTSTANDING
ETHICAL PROBLEMS.”

JOHN LENNOX

HOW SHOULD WE RESPOND?

1. ASK QUESTIONS

1. WHAT DO THEY DO FOR US?
2. WHAT DO THEY DO TO US?
3. HOW DO THEY SHAPE REALITY?
4. HOW DO WE USE THEM?
5. HOW WILL THEY AFFECT OUR VIEW OF GOD?

HOW SHOULD WE RESPOND?

- 1.ASK
QUESTIONS**
- 2.THINK
ETHICALLY**

**ETHICS OF PROGRAMMERS
REFLECTED IN PRODUCTS**

WHAT ARE YOU SHARING?

**IS IT A TOOL HELPING YOU
CREATE OR IS IT CREATING
FOR YOU?**

TRUE HUMAN FLOURISHING

HOW SHOULD WE RESPOND?

- 1.ASK
QUESTIONS
- 2.THINK
ETHICALLY
- 3.PERSONAL
CONTAINMENT

FORM CONVICTIONS AND
VALUES FIRST

LIVE PRODUCTIVE LIVES

WISDOM AND VIRTUE TO
GUIDE US

TECHNOLOGY IS FOR THE
TABLE

“SPIRITUAL DEPTH REQUIRES THE ABILITY TO PRAY FOR MORE THAN A FEW MINUTES, TO MEMORIZE AND MEDITATE ON SCRIPTURE (NOT SEARCH FOR IT ONLINE), AND TO LOVE GOD WITH OUR HEARTS AND MINDS. THIS MEANS THAT WE MUST BE CAREFUL TO CULTIVATE AND RETAIN THE SKILL OF DEEPLY READING AND SINCERELY CONTEMPLATING THE THINGS OF GOD, SOMETHING THAT ATTENTION-GETTING TECHNOLOGIES DO NOT VALUE.”

JOHN DYER

“FAITHFULNESS ALSO REQUIRES THAT WE CAN SIT WITH A PERSON AND DEEPLY LISTEN WITHOUT BEING DISTRACTED BY A PHONE OR WEARABLE. THERE MAY BE NO GREATER CHRISTIAN WITNESS IN OUR TIME THAN SOMEONE WHO CAN TRULY MASTER THE ART OF LISTENING WELL IN AN AGE OF CONSTANT INTERRUPTIONS.”

JOHN DYER

HOW SHOULD WE RESPOND?

- 1.ASK
QUESTIONS
- 2.THINK
ETHICALLY
- 3.PERSONAL
CONTAINMENT
- 4.UNDERSTAND
THE MEDIUMS

LESS EFFORT MEANS
LESS MEANING

ISOLATING VS
INVITING

RELATIONAL VS
OBSERVATIONAL
